# FY 2023 Annual Report

*Strengthening the foundation for service and coordination*

## A message about our work

In 2023, Gracebound Inc. continued its commitment to meeting people experiencing homelessness with practical support, dignity, and compassionate community care. A key organizational milestone was beginning to use the Homeless Management Information System (HMIS) in January 2023, strengthening service documentation and the organization's ability to coordinate housing-related work.

## Year-in-review highlights

- The organization continued building its capacity to connect immediate basic-needs assistance with longer-term housing pathways.

## Program outcomes
