GRACEBOUND INC.

FY 2024 Annual Report

Sustaining essential services and building organizational capacity

A message about our work

Throughout 2024, Gracebound Inc. continued serving people experiencing homelessness in Fresno through practical assistance, community-based programs, and partnerships. The organization's work connected everyday needs—including food, hygiene, and outreach—with its longer-term commitment to housing navigation and supportive services.

Year-in-review highlights

- Continued the core service model of street outreach, food access, hygiene support, and community connection.
- Maintained community-based activities, including thrift-store and community-center functions, as part of a broader network of practical assistance and referrals.
- Continued strengthening the organization's financial and operational foundation to support future services and housing initiatives.

Program outcomes

- People experiencing homelessness continued to have access to practical support and connections to community resources.
- HMIS, adopted in 2023, provided an established system for service documentation and housing-related coordination.
- Internal financial statements reported net income of $42,257 and year-end total assets of $157,232.

Community impact

Gracebound's community impact in 2024 came from maintaining a consistent place of support for people facing homelessness and related barriers. Food, hygiene, outreach, and referrals can help address immediate needs while creating opportunities to build trust and connect people to additional services.

Financial and organizational stewardship

Reported net income: $42,257 | Total assets at year-end: $157,232

Financial figures are drawn from internal accrual-basis statements and are not represented as audited financial statements.

Looking ahead

Gracebound will continue building on its commitment to compassionate outreach, practical assistance, strong community partnerships, and more coordinated pathways to housing. The organization's goal is to connect immediate needs with opportunities for stability and longer-term support.

A community of care. A growing path to housing.
